Squirrels

This week, Squirrels have had a super week learning about Remembrance Day and the importance of respect. Our Year 6's joined with other classes and walked sensibly to Madeley Memorial where they placed a Wreath and took part in a 2-minute silence. Our Year 5's designed poppies using different materials which looked beautiful.

In our Sensory Explore sessions in the morning our children have enjoyed building Dinosaurs using nuts and screws! They have also done very well at building a colourful Dinosaur track including sand.

In PE, Squirrels have been completing Dinosaur Yoga through Cosmic kids which they participate well in 😊. PE is on a Wednesday and Friday if you could bring in PE kits this would be great.

In Outdoor School we linked Numeracy to our session. Children had to pick up the correct amount of leaves to match the number shown, Squirrels thoroughly enjoyed this activity!

We all came in looking super for our Children in Need dress up day, we learnt about what the day was for and how important it is for other children who need support.

We hope you have a super weekend and see you all on Monday 😊!
