MEETING INDIVIDUAL NEEDS

Dear Parents and Carers,

This year's Christmas Production is being held on Tuesday, starting at **1.15pm prompt**. Children will be performing 'Away in a Manger' and 'Jack & The Beanstalk'.

Can I please remind you not to park on the school car park when you arrive for the production as our transport providers require access.

Unfortunately no video recording will be allowed during the afternoon, although you may take photographs of your own child. We have a number of children's parents/carers who have specifically requested for their children not to be photographed or recorded at any time. I apologise for any disappointment this may cause, however I'm sure you will understand the importance of ensuring such requests are met and your co-operation would be appreciated.

The crèche which will be run by Haughton School staff for the duration of the performance is now full.

At the end of the production there will be a collection box and any donations for our School Fund would be gratefully received.

We will also be selling mince pies and seasonal fruit punch. If you intend to take your child home after both performances, they will need to be signed out in their classrooms so that we know they have left the premises and also for transport purposes.

The children and staff have put a lot of effort into the production and have been busy rehearsing — it promises to be a fabulous show!
