## BADGERS WYEVALE GARDEN CENTRE VISIT

On Monday this week Badgers class visited Wyevale Garden Centre as part of their "Spring" topic work.

The children enjoyed looking around the garden centre and choosing some seeds to take back to school and grow.

Children will be planting and growing cress, cucumber, salad leaves, carrots and runner beans.

Stephen the Manager at Wyevale very kindly donated some compost!

## CLASS 7 BREAD MAKING

This week the children in Class 7 have been busy making herby bread as part of their topic work on "Green Fingers".

Children used four different herbs.

They really enjoyed baking and tasting their bread!
