

Choosing and paying for school meals.

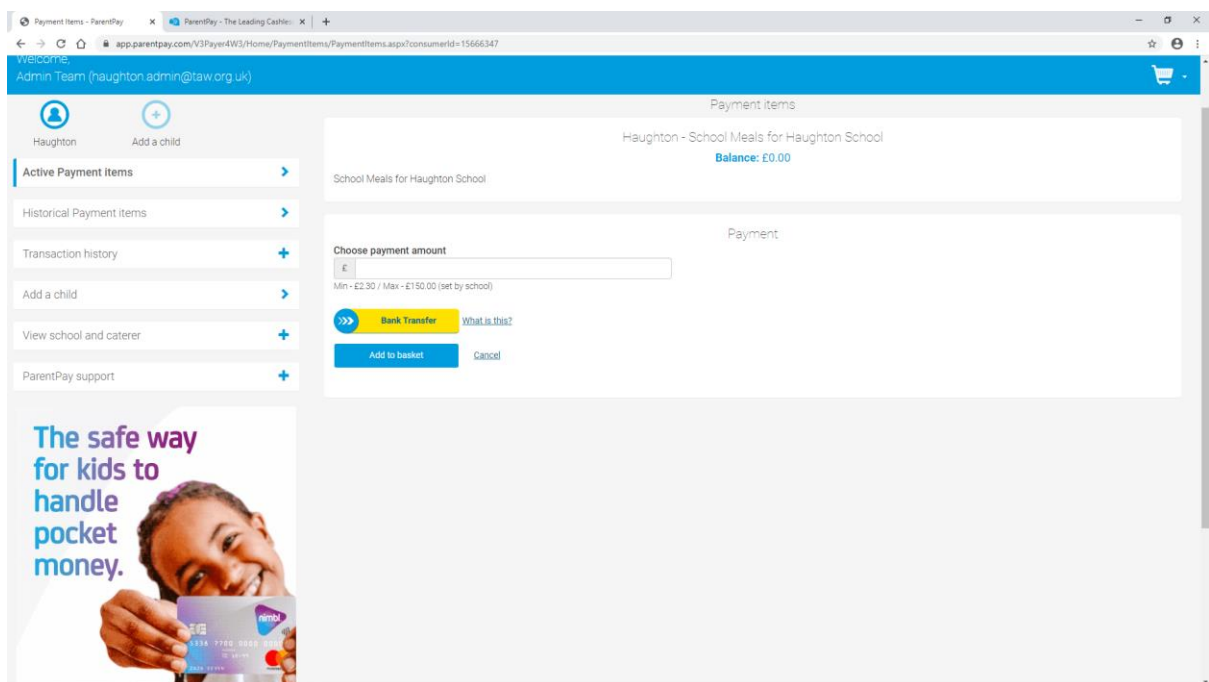

Please login to your ParentPay account. If you have not logged in before please register your account first by clicking on Parents – Get started, (login details have been sent in a separate letter).

Once you have logged in if your child does not receive free school meals please pay for any meals your child has already had and any meals you are going to order in advance. Select Pay for other items.

Here you can view your school meals balance, we have allowed a debit due to delays in getting the system live however in future **please add enough credit to pay for meals before you order them.** To pay for school meals select the view button to right.

Enter the amount you want to pay (**meals are £2.30 each day**) and choose your payment method. Adding to basket allows you to pay by credit/debit card or parentpay balance if you have set this up.

To choose meals go back to your home screen
