

Meeting Individual Needs

5 November 2020

Dear Parent/Carer

Face Coverings

Government and Local Authority advice is that the wearing of face coverings by visitors to primary school sites is at the discretion of the Headteacher.

Following advice, to keep our children, families and staff safe, I am now asking all visitors on site to wear a face covering – this includes Parents/Carers when dropping off and collecting children.

We understand of course that some of our Parents/Carers may be exempt from the rules due to medical conditions, but can we please remind everybody of the importance of respecting the 2m social distancing rule when on our school site.

Telford & Wrekin Council have produced a video with regards to staying safe in the school grounds. It can be found here:

<https://youtu.be/znX984PeGC0>

As part of our increased safety measures, you will also see more of our school staff wearing face coverings in school communal areas and when collecting your child from you or returning your child to you.

We really appreciate your support with this, helping to keep everyone safe.

Thank you.

Your sincerely

Gill Knox
Headteacher
