

## *Meeting Individual Needs*

10 September 2024

Dear Parent/Carer

### **Flu Vaccinations in School - Friday 20 September 2024**

Nurses will be in school on the above date to administer the vaccines to all children with consent.

The vaccination is administered by way of a quick and simple spray up the nose and the children will of course be accompanied by staff from their class team.

***This year your consent must be given by completing an electronic consent form (e-Consent) online. This is to make the process of obtaining consent easier and more efficient for parents/carers, schools and the immunisation team.***

We have emailed full details of the immunisation programme, including the e-Consent to Parents/Carers who are contact 1 priority on their child's school record. Can you please check your email. If you have not received the email, please let us know by emailing [haughton.admin@taw.org.uk](mailto:haughton.admin@taw.org.uk) or telephoning the school office on 01952 387540 and we will send it to you. Alternatively you can scan the QR codes on the attached information letter to access the information leaflet and complete the e-consent, or you can find the information and the link for e-consent form on our school website.

You must complete a separate e-consent form for each child you have at Haughton School. *Can we please ask all Parent/Carers to complete a form, regardless of whether you wish for the vaccination to be given as we need a response for every child.* The deadline for e-forms to be completed is **9.00am on Tuesday 17 September 2024.**

Please be assured that we have completed a risk assessment for the safe delivery of the vaccinations and the nurses will be following PPE National Guidance.

If you have any queries, please do not hesitate to get in contact.

Many thanks.

Yours sincerely

G Knox (Mrs)  
Headteacher
