

NSPCC NUMBER DAY

Non-Uniform Day

Friday 7 February 2025

To celebrate maths and raise money for the NSPCC, we will be supporting 'NSPCC Number Day' on the above day.

We would love all children and staff to come to school wearing something number themed. There is no need to buy a new outfit/costume - you can be creative with just paper or material to create digits! Here are a few ideas:

Cake Sale...

Our UKS2 children will be baking some cakes which will be on sale during Number Day. Children will be using their numeracy skills when baking (weighing, measuring) and when selling and buying their cakes (money, counting etc).

If you would like your child to wear non-uniform and enjoy a cake, can we please ask you to send in a cash donation on the day. We are asking for cash on this day as the different coins will tie in with the numbers theme and help children with their coin recognition and money skills. Please ensure money is in a sealed envelope, marked with your child's name.

If you are unable to send in cash, you may donate and pay for your child's cake via ParentPay. Thank you.

All the money we raise will be donated to NSPCC, who believe that all children deserve a childhood free from harm. Sadly, many children's lives are far from happy and the NSPCC's work is focused on helping those children in greatest danger and distress. The NSPCC urgently needs support to raise money to fund their services including Child Line, the helpline for children and young people with nowhere else to turn.

Your support for this important cause is most appreciated - Thank you.
