We used our persuasive skills in Literacy this week! We created an advertisement for a medicine we had invented!

The children showed they were very skilled at persuasion!

In Numeracy this week group 1 have been adding and subtracting numbers to 50, we have used base 10 to support us and our knowledge of number bonds to 10 and 20.

Group 2 have have been busy finding fractions of amounts.

We celebrated Shrove Tuesday this week and the children made delicious pancakes to eat, we enjoyed flipping them too!

We all enjoyed dressing up for World Book Day! The school theme was the book 'Flotsam' the children enjoyed reading the book and making inferences and discussing the images as there were no words. We thought as a class about what we could change to make reading more fun. Mr Foster hired an ice cream van and we all enjoyed a delicious ice cream.
