

Newsletter 7th March 2025 Class 3

This week in Literacy we continued with our story of Little Red Riding Hood. The children enjoyed acting out the story as well as creating their own basket of 'goodies' that they would take to their grandmother. The children have been working hard on their handwriting and especially forming their lowercase letters.

In our PE lesson we continued with our dance work. This week we practised the 'Hokey Cokey' and also learned 'Here we go round the Mulberry bush.' The children were fantastic at listening to instructions to hold hands to make a circle and also remembering the actions from last week.

In Numeracy this week we have been ordering and writing numbers on a number line and adding missing numbers on a number line. The children practised writing numbers and letters using shaving foam during our 'Play and Learn' session throughout the week.

Our topic lesson this week was linked to geography. We found out about what animals live in the woods. We learned about what type of habitat a wooded area or forest is. The children enjoyed exploring animals and sorting those that live in the woods and forest and those that do not.

Hope you have an amazing weekend and that the sun
