Class 1

Have you ever heard of the artist Jackson Pollock? He created paintings using items that he pushed and pulled. This week the children have been creating their own paintings using pipe cleaners, cars, balls, rollers and toothbrushes. They have pushed and pulled the items on the paper, like he would have! The results were amazing!

During Outdoor Learning, the children have been creating marvellous natural crowns. They loved showing their finished crowns to their friends and adults.

Have a great weekend everyone!
