

Class 8

14.3.25

Literacy

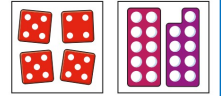

In literacy we have continued reading our story *The Snow Queen*. We have been reading and following instructions to make a paper version of our new character the crow. We have also been looking at images and listening to information about the features of castles and have been drawing turrets, battlements, a drawbridge etc. to create our own lonely castle drawing.

Numeracy

In Numeracy some of us have been working on place value and have been:

- ◆ Counting on from any number within 10
- ◆ Counting backwards from 10
- ◆ Counting within 20
- ◆ Understanding the numbers 17, 18 and 19
- ◆ Ordering numbers to 20

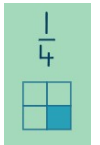

Some of us have been working on length and height and have been

- ◆ Measuring in metres

Some of us have been working on fractions and have been:

- ◆ Understanding the denominator of fractions

Topic

This week in topic we have been exploring buildings/houses from around the world such as Greece and the Maldives and have listened to information about the features of the different homes and what influenced the design.

Storytime

This week we have been reading the story 'Burglar Bill' by Janet and Allan Ahlberg.
