2025

In Literacy this week we have continued our story and George has given Grandma the marvellous medicine! We have enjoyed drawing and writing about Grandma's reaction! We have learnt about inverted

commas and direct speech.

In Maths this week it has been all about the money! We have enjoyed visiting Mrs Rushworth's ice cream and sweetie shop and spending using pounds and pence!

In Topic this week we have continued learning about the Victorians. We compared our toys with toys they played with in Victorian times. We had a go with some Victorian toys! Please look out for the trip letter for Blist hill, where the children can experience Victorian life.

We have celebrated Science week and we have been looking at different animal groups, their habitats and how they have adapted and evolved. We also enjoyed some under the sea yoga.

Next week on Wednesday the animal man is coming to school and we will be able to meet some animals in person!
