Class 1

Class 1 CAN dance! This week the children have been wowing us with their dancing skills! They have shown us they are able to copy moves, remember moves and adapt moves with growing confidence! Class favourites to dance and sing to, at the moment, are 'The Hockey Cokey' and 'The Farmers In Their Den'. (Class 1 style!!)

Our new class text is 'The Little Red Hen', the children have been busy following instructions to create the hen's nests and making bread from the hens wheat!

In Numeracy we continue to focus on numbers and how they are made up. Using cubes we have been exploring how to make different numbers.

Happy Friday Everyone!
