# Class 1

*In Class 1 this week we have been exploring 3D shapes. We have been learning the names, then matching and sorting 3 D shapes. During Play and Learning sessions one of our favourite activities was seeing which 3D shapes roll!*

*During Topic work the children have enjoyed exploring and tasting different types of bread.– just like the Little Red Hen cooked!*

*In RE we have started to learn about 'The Last Supper', the children loved tasting the bread and red wine (don't worry it was blackcurrant squash!), like Jesus and his friends did.*

**Happy Friday Everyone!**

**Mrs Ratcliffe, Mrs Morris and the Class 1 Team**
