

Class 12

27.6.25

Literacy

This week whilst reading 'The Stone Age Boy' we have been thinking about recounts and writing in the first person imagining we are the boy in the story. The children wrote letters

and recorded videos to tell their families what life was like in the Stone Age recalling events and facts from the story.

P.E.

In P.E. this half term we have been working hard on our batting and fielding skills. This week we split into teams to take part in mini games of cricket! The children all had a go at hitting the ball and running, fielding and catching the ball or bowling and throwing the ball.

Topic

 
Scavengers and Settlers

This week in Topic we have been looking at prehistoric art and cave paintings. The children learnt about how people in the Stone Age used to make their own paints and draw on the walls of caves. We then made our own paints using natural resources from Forest School. The children also thought about how they would paint and made paintbrushes using feathers and sticks.

Don't forget!

Monday 30th June: Year 6 Crucial Crew

Wednesday 2nd: Trip to Wrekin Forest School

Thursday 3rd: Year 6 whole day Southall transition

Thank you to all families that came and enjoyed our Great British Picnic!
