# Class 7

## Literacy

In Literacy this week we have continued reading the Hodgeheg.

The children got very crafty and made some adorable hedgehogs.

They also completed their book review and talked about their favourite characters and events in the story.

## Numeracy

In Numeracy we have been working on money. We consolidated what we have learnt so far into a fun practical lesson of shop keepers!

The children had money to spend at the shop in exchange for some of their favourite things.

They were fantastic at recognising and counting coins.

The children have enjoyed cooking some yummy treats ready for our special class 7 picnic and they have also had a fun cinema afternoon this week.

## Thank you

The adults in class 7 would like to thank you for all your support this year it has been a wonderful opportunity to teach your little ones and they have worked super hard and made lots of progress. We are so proud!

We hope you have a wonderful summer.

## Storytime

This week our story has been "Paddington" by Michael Bond.
