Welcome

back

everyone!

In Literacy this week we have started our new book 'The Iron Man', which we love! The children do not want me to stop reading the story and we are having fabulous discussions around the characters and plot!

In Maths we are looking at place value - we are having fun with the base 10 equipment and some funny on-line games!

In the hub we believe that friendships and communication are important and we have spent time this week getting to know each other again and understanding our similarities and differences.

The children have all worked together to complete some hub expectations - we have sent a copy home. The children have also made a list of rules for me to follow too, to better support them, this list is growing daily!
