

Class 6

05.12.25

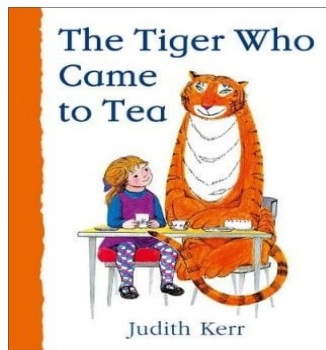

The children in class 6 have had a fantastic week.

In numeracy, the children have continued with their topic based on subtraction. The class have been using number lines, blocks and interactive whiteboard games to develop their understanding.

In literacy, the class have completed their first of the month books using a picture of Christmas as a visual stimulus.

As we have now entered December, the children are starting to get excited about Christmas. The children came into the class on Monday to a partially decorated classroom and they helped decorate the Christmas tree as they were instructed to by the Christmas elf. The Christmas elf has kept the children entertained this week and the children look forward to coming into class in the morning to see what the elf has been up to.

This week, the children have been listening to the children's classic, 'The Tiger Who Came to Tea' by Judith Kerr. The class thought it was funny how the tiger came to the door and asked for tea and then ate everything in the house.

Have a great weekend!
