

This week has been full of festive energy as we prepare for Monday's Christmas showcase. The children have been working incredibly hard, and we can't wait for you to see their fantastic performances. Don't forget to wear your Christmas jumpers to join in the fun!

In numeracy, we've continued our focus on 3D shapes. The children have been learning to identify and describe the properties of different shapes, noticing what makes each one unique.

Our literacy sessions have been inspired by *The Christmas Bear*. The children have enjoyed a range of festive activities linked to the story, with the wrapping station proving to be the favourite!

We always encourage independence, and snack time has become a wonderful opportunity to practice. The children are now confidently spreading and pouring on their own such an important step in their development.

Have a wonderful weekend. 😊

Mrs Clarke and the class 9 team.
