

It has been great to see everyone back and I hope that you have had a lovely holiday.

On Tuesday the children were really good when we were unable to use the classroom due to having a new water heater. We went to the Food Tech room and made some fairy cakes before eating our dinner in the main hall for the first time. In the afternoon we played in the snow.

On Wednesday we had a great time exploring the icy snow inside. We made little snow castles and melted them using warm blue water and pipettes. Wednesday afternoon, in cooking, we made more cakes.

On Thursday we went up to Forest School. The children had a fantastic time exploring the small piles of ice and eating some of their cakes they had made. In the afternoon we used the foot spas in Play and Leisure. There were bubbles everywhere!
