

Badgers

Newsletter

20.3.26

Badgers have been playing and learning in the garden this week, watering the daffodils, making dinosaurs out of clay and construction kits. In Phonics Badgers have been learning about the letter sound, 's' looking at lots of items which begin with this sound and they have also been learning how to form it in the foam. In Maths they have been learning more about pattern. Well done Badgers :) Enjoy your weekend, Mrs Jeffries and Badger's Class Team.
