

## Topic

This week the children have continued our Lets Plant It topic by taking part in our trip to Roden Nursery and Haughmond Hill. The children loved to explore Haughmond Hill and made some interesting purchases from the garden centre, which we then planted back in school.

## Numeracy

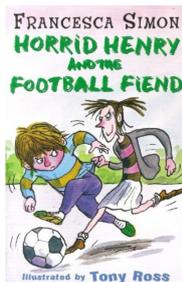

This week in Numeracy the children have continued to concentrate on developing the multiplication and division skills. Some of the children have been learning to use arrays to express their working, some have been using repeated addition and others and others have been making and finding equal groups.

## NSPCC Speak Out Stay Safe

This week the children have been taking part in the NSPCC's Speak Out Stay Safe campaign. The children have been learning about what they should do if they ever have a problem. This culminated in the children thinking about what people they would include in their safe circle of people they could turn to.

## Story Time

This week in story time the children have been listening to Horrid Henry and the Football Fiend.
