

Badgers

Newsletter

17.4.26

Badgers have enjoyed their first week back and settled in well to our routines. We have started our new topic, The Brilliant Bug Ball! Please find all the information about what we will be learning through this topic in the topic overview letter. They followed instructions how to plant a bean and we will be recording the changes in a bean diary. We have been gardening and planting pretty pansies we will be learning all about other life cycles too. Well done Badgers :) Enjoy your weekend, Mrs Jeffries and Badger's Class Team.
