

Class 2 News

Welcome back everybody to the Summer term! This week we have started work on our new topic The World Around Us and have been thinking about all the things we might see and places we might go. This topic is all about geography and finding the way so we are hoping to arrange a visit to explore our local area before the summer break. I have sent a handout for you with some of the words we will be using with the children as part of the topic. In maths we have started looking at bigger numbers and in PSHE our work will be focusing on friendship this half term. Please look in book bags for some information relating to Annual Reviews and I'm looking forward to meeting up with you all over the next few weeks. If you have any questions or problems, please just get in touch. Have a lovely weekend, Mrs Shannon and the Class 2 team xx
