

Topic

This week the children have started our new topic which is a History based topic called Treasure. We will be learning about the Egyptians and designing and making our very own museum.

Next week the children will be attending a trip to Shrewsbury

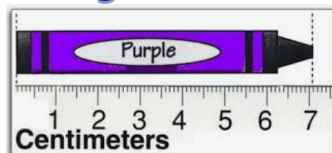

Museum where we will be exploring the museum and seeing what we should include in ours.

This week the children completed work explaining what was treasure to them and what types of things we could find in a treasure chest. Next week we will be learning about how historians use clues to collect information about the past.

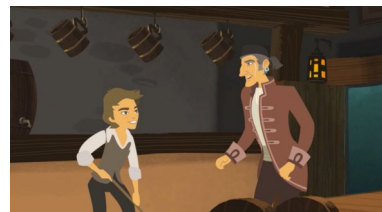

Numeracy

This week in Numeracy the children focused on their ability to measure length and height. The children have been measuring with objects, measuring in cm as well as millimetres and metres. This focus will continue next week.

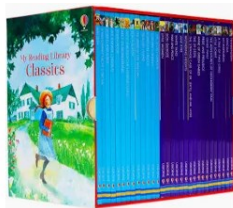

Treasure Island

This week the children have started our new story which is Treasure Island by Robert Louis Stevenson. This week the children have been learning to describe the characters, and the market scene using adjectives. The children have also been learning to use prepositions to describe when and where things are. We will continue this story next week.

Story Time

This week in story time the children have been listening to a collection of Usborne adapted classic stories.

Have a great Weekend

Have a great weekend
