Otter Class

Weekly Newsletter

We have had a lovely week in Otter Class this week.

On Monday, we celebrated World Mental Health Day – thank you for encouraging the children to come in wearing things which make them happy. We talked all about when we feel happiest & had some lovely discussions around what makes us happy at school and at home. In the afternoon we celebrated happiness with our "Feel Good Festival". The children enjoyed using the parachute in our outdoor area, we listened to music & had the bubble machine on at full blast!

In Literacy, we have done some more assessments around our letter formation and letter recognition. In Numeracy, we have done lots of practical activities around recognising "long" and "short".

Next week

We shall be celebrating Black History in school throughout the week with lots of exciting activities to look forward to! We have a visitor in school on Monday from the Telford African and Afro-Caribbean Resource Centre who will be providing a range of activities for the children to take part in.

It is our final week looking at Superworm next week, in preparation to begin our new book after the holidays.

In Numeracy, we shall be looking at pattern.

A brilliant week Otter Class! Have a lovely weekend 😊
