BLACK HISTORY MONTH

19 - 23 OCTOBER

Next week in school we will be celebrating Black History Month. Children will take part in a range of engaging activities that focus on recognising, celebrating and honouring the significant contributions that Black people have made to Britain's past, present and future.

Through stories, discussions, creative activities and learning experiences, pupils will explore the achievements, resilience and positive impact of Black individuals both historically and in modern society.

As a school, we are proud to celebrate diversity, promote inclusion and help our children develop an understanding and appreciation of the many people and cultures that make up our communities.

We look forward to sharing some of the wonderful learning that takes place throughout the week.
