Sparrow's Class News

We had a great time celebrating Black History Month this week. The children enjoyed dressing up in traditional clothes, exploring instruments and dancing.

This week in Literacy we have been reading Funny Bones. The children have enjoyed recalling events from the story and describing dark settings. On Friday, we used cotton buds to create the skeleton and his dog, and we explored a human and dog skeleton model.

Our Storytime text this week has been 'Funny Bones'

Have a wonderful half term break!
