Meeting Individual Needs

5 November 2026

Dear Parent/Carer

OUTDOOR LEARNING SESSIONS – STARLINGS & WOODPECKERS

Unfortunately, our first Outdoor Learning session at Old Park, due to take place next week, has been postponed while we await some important resources that are needed.

The session has now been rescheduled for **Tuesday 17th November**.

Thank you for your understanding and support. We look forward to sharing this exciting learning experience with our children once all the necessary preparations are in place.

Yours faithfully
