

Curriculum Offer During Lockdown

As a whole school we are offering fortnightly work packs to all children who are working at home. The content of these packs is in line with what the children in school are learning and what we would normally be delivering at this time of year. Each pack consist of 10 literacy, 10 numeracy and 5 topic lessons.

We are also providing the opportunity for online learning for all children and a chance for them to have contact with children and staff in their class. In accordance with the guidance provided by Telford and Wrekin Council all of our children will need to access online learning sessions 3 times a week if they are at home. As a school we will be delivering sessions on Monday, Wednesday, and Friday. The timings for each class are outlined below:

Class	Time
