Areas in which I feel I would like support / help.

- Strategies dealing with difficult behaviours
- Integration with mainstream
- I would happily give support on trips if timings worked and was needed
- None currently, previously very supportive

I would like to be more involved in the following ways.

- DoJo app
- I am already involved and happy
- For the mainstream school to include the Hub kids more on their twitter activities
- In anyway my time could help

What I particularly like about the Hub provision.

- That no matter what a child's ability is they are treated the same
- I love the staff, friendly and always approachable. Great in difficult / personal issues

- Great teachers
- The teaching staff are amazing!
- Everything 😊
- The calm staff, the small numbers
- Everything! Personalised learning for children and children very well supported at the same time as encouraging independence

What I think could be better.

- Quicker responses to emails
- Maybe less integration of the kids in the same room because of age range
- A few more updates about what has been up to that day
- It is fine the way it is
- Nothing

What would be the most important statement that you would like to share with potential new parents about the Hub?

- My son has gone from being a disruptive and volatile class member to being much calmer and happier within the Hub setting
- Staff try their best to meet the needs of the children, very helpful
- It is amazing, loves every minute
- The class is brilliant, the Hub has exactly the right amount and mix of staff to best help the children with every aspect of school
- Children's needs are always paramount and at the centre of everything. The team are highly supportive at all times – nothing is too much trouble

Further comments I would like to make.

- settled in the Hub better than any other school, an amazing place, super supportive, wish he could stay!
- Does an amazing job, all the staff do, but the teacher really does make it what it is. All the staff are kind and patient and bring a little bit of themselves to each child which provides excellent balance 😊
- Fabulous class team – we will miss you all!
