

*Meeting Individual Needs*

03/07/2024

Dear Parents / Carers,

We are currently working with the Local Authority to identify how we can support parents / carers to access wraparound childcare provision Monday to Friday during term time.

Wraparound care refers to childcare that wraps around the conventional school day, often starting at 8am and finishing at 6pm.

We are currently scoping what is available within the local authority which we can signpost you to, or what may need to be developed in the future. Our first step within this process is to identify your current need and potential future requirements.

I would appreciate you answering the questions below and returning your responses to school by Friday 12<sup>th</sup> July 2024.

Best wishes,

Gill Knox
