They strongly believe that everyone should be included not matter what disability or challenges they have, that is why they welcome everyone at any time, not just during SEND sessions so please don't be afraid to go along. No booking is required.

The Bike Hub

Telford Bike Hub in Telford Town Park are now offering sessions specifically for ADAPTIVE BIKES. They are every Monday starting on 12 August 10am-12pm and cost £10. You can book online at: www.ticketstelford.com/.../telford-bike-hub.../5131/

If you or someone you know wants to ride around the park but can't use a standard 2 wheel bike then this session could be for you. There are a variety of bikes available including side by side, a hand bike, a wheelchair loader and ones with parent controls. If balance is the issue there are also trikes. All users need to come with the level assistance they require to be able to get on and off the bikes and we also offer free carer bikes (standard 2 wheel) should someone need to ride around with them. There will be a set route and users can attend for the full session or drop in and out as they need to. We have limited bikes available and the session is open to 20 people so there might be occasions where it's a case of take it in turns depending on what is in use. Any questions, please email thebikehub@telford.gov.uk
