

# CHRISTMAS APPEAL

For Christmas 2024 we are appealing for donations of new toys/gifts which we can donate to the Christmas Smile Project.

Christmas Smile was founded in 2013 to provide gifts to local children and families living in difficult circumstances. It is a project run by the community for the community. The vision is that no child, or adult for that matter, should go without at least one special gift from Santa. Not everyone in our community has either a roof over their heads, a loving family, food on the table or gifts under the tree so our aim is to give a Christmas surprise to every person who lives in the Telford community and who is experiencing difficulties.

Here are some ideas for you. Please don't think this is the complete list – your own ideas are very welcome!
