Class 11

Another busy week in class 11!

In numeracy we have been measuring using centimetres. We have also been comparing lengths and heights

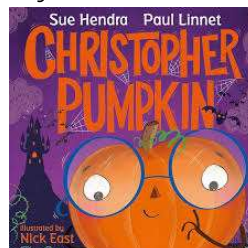

In literacy we have started to read *Charlie and the Chocolate Factory* by Roald Dahl – we have been thinking about the feelings of the characters and describing Charlie.

Today we dressed up for World Book day and did lots of fun book activities

In storytime we have been reading *Christopher Pumpkin* by Sue Hendra and Paul Linnet – we have enjoyed lots of their books before and this one was just as funny!

Just a reminder PE is on Tuesday and Thursday please can everyone have kit in school to be able to join in fully.
