Class 11

We have been busy again in class 11!

In numeracy we have been measuring again, this time using standard and non standard lengths, we have also been using technology to help us consolidate our understanding.

In literacy we have been rhyming and writing similes about places and characters from the book Charlie and the Chocolate factory.

In our zones of regulation lesson this week we linked our learning to St. Patrick's day and thought about things that made us feel lucky as a way to cheer us up if we find ourselves in the blue zone.

In storytime we have been reading the Fox Factor by Tim Bugbird and Stuart Lynch. It was a story all about remembering who our real friends are and treating people with respect.

In PE we have been taking advantage of the lovely weather and been up on the MUGA for lessons in the sunshine.

Just a reminder PE is on Tuesday and Thursday please can everyone have kit in school to be able to join in fully.
