Class 11

We have been working hard again in class 11!

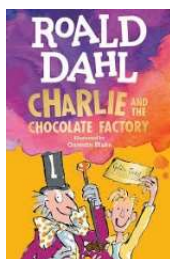

In numeracy we have continued to work on our understanding of money. We have been consolidating our knowledge, of the value of different coins and notes and calculating amounts.

We made Eid cards in class using bright colours and beautiful patterns.

In topic we have designed our own brand new chocolate bars. We can't wait to make them next week.

In literacy we have finished reading Charlie and the Chocolate Factory and have really enjoyed the adventures of the characters, especially Charlie. I think we would all have liked to be him at the end. Some of us really wanted to have a go in the glass elevator. Mrs Eadie and all of our teachers have been so impressed with how well we have all listened and how well we have remembered the story when it came to writing about it.

In storytime we have been reading the silly stories of Roald Dahl in Revolting Rhymes. We thought the way he changed the fairy tales was very clever and very funny
