

# Class 12

28.3.25

## Literacy

We have read the next few chapters of Charlie and the Chocolate Factory this week and have been discussing the choices

of the children in the book. The children decided if the characters made good choices in the story and used 'because' as a start to explain their reasons.

## Numeracy

In Numeracy this week we have been taking advantage of the lovely

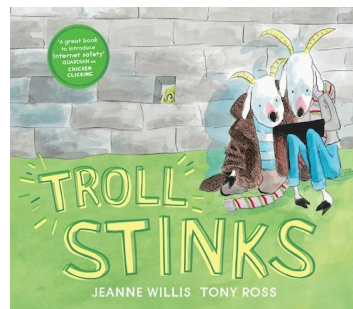

weather by doing our lessons outside! The children have been using rulers to explore measuring objects and follow instructions in nature and the environment.

## Topic

This week in Topic we have been learning about fair trade. The children learnt about what fair trade is and how to recognise if products are fair trade. We then discussed how products being fair trade can change people's lives in poor countries.

## P.S.H.E.

In P.S.H.E. this week we have been discussing e-safety. We have been using stories to support our

understanding of how to use the internet safely on devices and what counts as cyber bullying.
