

Class 12

4.4.25

Literacy

In Literacy this week we have learnt the fate of all the children in Charlie and the Chocolate factory. We have been comparing the characters at the beginning and end of the story and discussing who deserved to get the factory.

Numeracy

This week in Numeracy we have been working on our measurement skills thinking about mass and capacity. The children have been looking at scales and containers to measure in ml or g.

Topic

This week in Topic we have started our final 'Chocolate Project' - the children have begun the process of designing their own chocolate bar!

Design

Choose

ingredients

We started the week by designing our chocolate bars, choosing what ingredients will go into them and what type of chocolate they will be. The children then branded their

chocolate bars by choosing a name and logo. We looked at existing chocolate packaging and what we needed to include on our own packaging. The children then designed the front and back of their packaging using their branding and what they had observed.

Brand

Choose

a name,

design

a wrapper

Next week we will be making our chocolate bars!

Don't forget!

Wednesday 9th April: Easter Disco 5-7pm

Friday 11th April: Children break up for Easter holidays
