

Hello everyone and welcome to another week of adventures from the hub. We have had such a great week with lots of fantastic work, a trip to Telford Library and even a bit of sunshine.

## Literacy

## Literacy

In Literacy, we have planned our own stories based on the story *Handa's Surprise*. We will be writing our stories next week and look forward to sharing our work with you when we have finished.

## Science

## Science

In Science, we have enjoyed making string telephones to learn more about how sound travels through different materials.

In this week's *Picture News* we learnt about a new stadium which football team Manchester United are hoping to build. AJ and Alexia-Rae then used construction materials to design and build their own super stadiums!

**One of the highlights of our week has definitely been our visit to the library!**

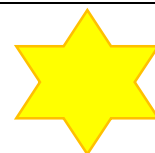

We had an amazing morning and chose some great books to bring back to school to read. Mrs Telford even treated us all to a tasty treat from Costa as a reward for all the effort everyone has been making with their reading this term.

## Celebrating Success.

We are always very proud of all of our children and everything they achieve but this week, some of our amazing superstars deserve a special *Well Done!*

George was invited to join Mrs Osbourne and Mrs Morris for *Diamond Diners*.

Issac was awarded a certificate for his *Perfect Piece*.  
Fantastic work, Isaac.  
Well Done!

Toby received a *Celebrations* certificate for the resilience he has shown with his work.

Also, we need to say a special well done to Alexia-Rae for her fabulous entry in the Easter egg decorating competition. We all loved your great Pokemon design.
