

11.4.25

Class 7

Literacy

In Literacy this week, the children have been appreciating poetry. We have listened to the poem "Nut Tree" by Julia Donaldson.

The children have created some fantastic nut tree art and answered some simple questions.

They also enjoyed finding rhyming words within the poem.

Numeracy

In Numeracy we have been working on Mass and Volume. Some of us have been learning:

- To identify lighter and heavier
- To measure mass
- To compare mass

Easter fun

Storytime

This week our story has been "Where's my teddy?" by Jez Alborough.
