

11.4.2025

Class 11

Happy Easter everyone! Thanks you for all our your support we have had a great term.

We have finished our topic by making our own chocolate bars, we designed the flavours, labels and made the real bars using special chocolate molds. There were some real taste sensations from crisps and jelly beans to ginger and toffee, well done everyone for thinking outside the box! We had great fun tasting and evaluating our creations.

AfterEaster our PE days will be Tuesday and Wednesday 😊

Have a fantastic Easter break – see you all on Tuesday 29th April
