

## Topic

This week in topic the children have completed their chocolate bar projects. The children all worked extremely hard and have produced some very imaginative and unique products, that all sound extremely tasty. This week the children went through the process of creating their bars. The children melted the chocolate, added the ingredients and then packaged their bars. They also created some excellent advertising in the form of animations and posters. Our topic after Easter is called Bright Sparks. A topic focusing on electricity.

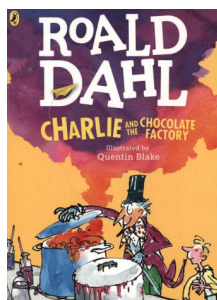

## Numeracy $\times \div$

MULTIPLICATION  
DIVISION

This week in Numeracy the children have started to measure capacity and volume. This week the children have been learning to describe different volumes, as well as, learning how to measure volumes and capacities in Millilitres and Litres. This focus will continue next term.

## Story Time

This week the children have continued to listen to *Charlie and the Chocolate Factory*.

## Literacy

This week in Literacy the children have continued reading *Charlie and the Chocolate Factory* by Roald Dahl. This week the children have been using all of their prior learning to write short passages. The children have been using the Symwriter program to support their writing. They have also been using the program to support their ability to check, correct and improve their work. This focus of *Charlie and the Chocolate Factory* will continue after the holidays.

P.E is on a Monday and Friday.

Homework is Reading, Spellings and Literacy.
