

*This week we have been thinking about Easter and have listened to and ordered the Easter Story. In sensory explore we have decorated Easter eggs, explored yellow slurpy and an Easter Garden.*

*In outside school we explored the area and role played some elements of the Easter story including washing our feet as Jesus did with his good friends, the disciples. We also made shelters and knocked posts into the ground using mallets.*

*In numeracy we completed easter ordering numbers, counting and addition. We have completed some easter baking making biscuits, Easter nests and rabbit twists.*

*On Tuesday after school, it was wonderful to see some of the children at the Easter disco. I particularly enjoyed the shadow dancing. In our last Dance session, we also used the disco equipment and had a class disco dance.*

*In My Well-Being we had a fantastic fashion show. Some children put on face paint make-up and we walked down an outside runway.*

*We hope you all have a wonderful holiday – Happy Easter!*
