

*This week in class 9 the children have enjoyed lots of Easter themed activities.*

*In my outdoor learning we read the story 'Going on an Egg Hunt' the children then went on a hunt around the forest area to find the different characters from our story, we then made nature easter eggs using salt dough and different items found around the outdoor learning area.*

*In my topic we have been learning all about the Easter story. The children have made a class 9 Easter Garden to represent the tomb where Jesus was buried. We have then had lots of fun tasting hot cross buns and making chocolate nests and making Easter bonnets.*

*Have a lovely Easter,*

*Mrs Clarke and the class 9 team 😊*
