

The Wellbeing Charter Mark

Telford and Wrekin Educational Psychology Service

Your school is working on a project with us at Telford & Wrekin Educational Psychology Service, exploring emotional wellbeing through a whole-school approach.

Collecting the authentic voice of the whole school community is important to this project, and we invite all staff to share their views via an anonymous online survey. Please scan the QR code below to access the survey, which should take around 15–20 minutes to complete

Thank you for taking the time to share your views.
