

Class 12

11.4.25

We have had an amazing Chocolate themed week in Class 12 in the run up to Easter and to finish off our Topic. The children loved taking part in an Easter egg hunt and took it in turns to

hide eggs for their friends after finding their own. We have finished our Topic by making our chocolate bars this week using our designs, recipes and packaging.

The children mixed their ingredients with melted chocolate before pouring it into their chosen mould.

When their chocolate bars had set, the children wrapped them in the wrappers that they had designed ready to take home in time for Easter!

We especially enjoyed clearing up after we had made our chocolate bars!

Don't forget!
