

# Class 8

9.5.25

## Literacy

In literacy we have been reading our new story The Emperor's New clothes. We continued with drawing and writing labels or sentences about things we like and dislike. We have also been designing and describing a new outfit for the emperor to wear at the royal procession.

## Numeracy

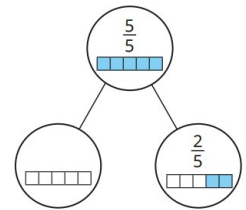

In Numeracy some of us have been working on multiplication and division and have been:

- ♦ Counting in 2's, 5's or 10's
- ♦ Recognising equal groups

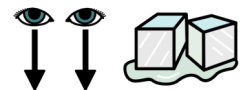

Some of us have been working on fractions and have been:

- ♦ Recognising a quarter
- ♦ Understanding the whole in relation to fractions

## Topic

This week in topic we have been scientists and had lots of fun designing and making our own ice cubes. We also worked well to plan and conduct an investigation whereby we tested the question 'how long does it take for an ice cube to melt?'

## Storytime

This week we have continued reading the story 'Who's that Banging On The Ceiling?' by Colin McNaughton.
