# Class 1

*Another half term completed in Class 1 and what fun it has been!*

*This week, we have continued with our Going Places topics and have been focusing on the story 'Mr Gumpy's Motorcar'. The children have enjoyed exploring fields and describing what they can see and followed instructions to create their own edible car from bananas and smarties! In topic, we had lots of fun investigating how different amounts of water change the consistency of mud focusing on the language dry, hard, sticky and wet.*

*Have a lovely half term break!*

*Mrs Morris, Mrs Ratcliffe and the Class 1 Team*
