

Class 6

23.05.25

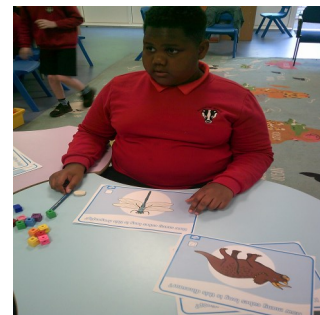

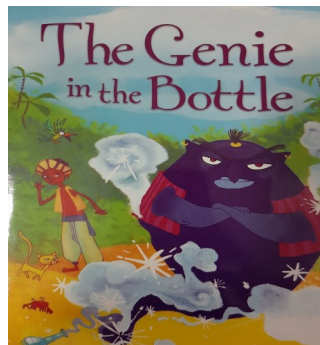

The children in Class 6 have had a fantastic week.

In numeracy, the children have continued with their topic based on length and height. The class have been using cubes and rulers to measure the length of different objects.

In literacy, the class have finished their work on 'The Walrus and the Carpenter.' This week the children have completed an acrostic poem and they have filled in a review of the poem.

In topic this week, the children have continued to investigate their topic, 'Bright Sparks.' The children have been learning what electrical components look like and their symbols and they have been making their own circuits. The children have made circuits using lights, buzzers and motors. The children enjoyed these practical activities.

This week the children have been listening to 'The Genie in the Bottle' by Rosie Dickens. The children enjoyed listening to the adventures of the fisherman and the grumpy genie.

Have a great weekend!
